

The MFNAN will be holding our Annual General Meeting (AGM) on August 16, 2014 at the Pepsi center in Cornerbrook Newfoundland.

We are planning to have one or two guest speakers and will announce the names of those individuals closer to the date of the AGM.

As this is our first AGM, voting is required by the membership to adopt the constitution and by-laws, as well as other matters brought forward by the board. Additionally we will discuss bill C-25 and the impact on our membership.

This will be a CLOSED meeting, open to only those with current and up to date membership with the MFNAN prior to the date of the meeting.

Please RSVP to info@mfnan.org so we can plan space accordingly.
